

object

```
graph BT; A[implementation.manual_control.World] --> B[object]
```

A diagram showing a vertical relationship between two text boxes. The top box contains the word "object". The bottom box contains the text "implementation.manual_control.World". A vertical arrow points from the bottom box up to the bottom edge of the top box, indicating that the bottom box inherits from or is a specialization of the top box.

implementation.manual_control.World
